iplicit.
The future of finance for the charity and nonprofit sector

Award-winning, true-cloud accounting software to innovate, not complicate

True-cloud finance software without the sky- high pricing. iplicit is the award-winning accounting solution that pays for itself.

iplicit's enables charities and nonprofit organisations to streamline processes with automation and intuitive workflows. It gives them in-depth analysis and insights to drive critical decision-making forward.

iplicit empowers nonprofit organisations around the world to take control of their finance operations and focus on what really matters.

" My finance staff like the fact they can access iplicit from anywhere and are already saving time. To reconcile the main bank account would have taken half a day. Now it takes five minutes.

Darren Tiffney
Director of Finance and Central Services, Yorkshire Wildlife Trust

Trusted by 30,000+ daily users

Cimpli
Your financial management. Simplified

A trusted partner throughout

Our expert implementation team will support you through the entire onboarding process, with customers up and running in days rather than months.

Once you're live, you'll have ongoing customer support to ensure you're getting the most out of iplicit and your software is constantly upgraded to provide additional features, without affecting your customised set-up.

> The timesaving we experience with iplicit is enormous! We're currently preparing our year-end process, and already we're saving six weeks consolidating the various project balance sheets.

Sandra Tcheumeni Boschet
Head of Finance and Administration,
Health Poverty Action

Partial VAT
iplicit's advanced tax management features enable nonprofits to easily manage the complexities associated with partial VAT.

Configurable multi-level workflow authorisation
iplicit's configurable workflow authorisation ensures that processes are followed with a full audit trail of submissions and approvals.

Multi-Level GL Analysis
Understand actuals vs. budgets by activity, cost centre, department, project, fund, location - it's all configurable.

Budgeting
Monitor and control budgets at operational and consolidated accounts levels.

Staff and Volunteer Expenses
Add expense claims using the iplicit mobile app, making authorisation by managers quick and simple.

Multi-currency
iplicit is a full, multi- currency solution.

SORP Compliant
Be SORP compliant, meeting the needs of FRS102 with simple handling of funds and other multiple reporting criteria.

Financial consolidation
Eliminate manual consolidation with a single unified platform for your multi-entity and multi-currency accounting and consolidation needs.

Integration
iplicit has been designed to ensure simple integration with other third party systems including payroll, billing, EpicCare patient records system and Fusion Care Home Management software.

Trustee Reporting
Trustee reporting is made simple with iplicit's dashboard and management reporting tools.

Easy Adoption and upgrades
We'll empower you and your team to learn the system at your own pace, with a safe sandbox mode for multiple users to explore. We also provide automatic monthly system updates.

Restricted and unrestricted funds and fund reporting
iplicit's fund and grant management capability enables organisations to see monies from various grants and funds instantly. These can be segmented by fund type to be analysed and reported on.
